### **About Azule Energy**

Azule Energy is a new standalone integrated energy company created as an incorporated joint venture between BP Exploration Operating Company Limited ("bp") and Eni International B.V. ("Eni"), with bp and Eni each holding a 50% share to combine the assets and workforces of bp and Eni in Angola.

Our vision is to be a safe, responsible and diverse company that will pioneer cost-efficient oil and gas production, as well as help expand Angola's renewables sector.
